

2021 NORTHERN ONTARIO POULTRY WEBINARS

The Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA) along with Chicken Farmers of Ontario (CFO) and the Poultry Industry Council (PIC) are presenting a webinar series for Northern Ontario to encourage participation in the poultry industry and CFO's Community Programs.

If you are interested in raising poultry for eggs and/or meat, or want to know more about chicken farming and the Artisanal Chicken® program please join us for this three part webinar series.

All sessions will run from 7:00 to 9:00 pm EST and are free to attend.
